

## The Adventure Center of Asheville The Family Adventure Destination

open all year • 5 minutes from Downtown Asheville  
six adventure activities in one area for ages 4 and over

The Adventure Center is the best outdoor experiential adventure for activities that cultivate leadership skills, team building, and character development! We create exciting and competitive experiences designed to instill confidence, cooperation, and communication.

**Asheville Treetops Adventure Park** – largest WNC aerial challenge course in the trees with 77 unique climbing, rolling, walking, jumping, swinging, and rappelling elements in a wooded park on 7 aerial trails with smart clips

- 2 hours of adventure for ages 4 and over (restrictions/escorts for younger ages) with choice of 7 trails that are accessible by age
- Join us for our special Twilight in the Treetops night climbs.

**Asheville Zipline Canopy Adventures** - urban canopy tour with 11 ziplines & 3 sky bridges in treetop platforms & adventure towers with skyline views of Asheville including two 1,200 foot ziplines to fly side-by-side with a friend

- 1 to 3 hours for ages 8 and over

**KidZip**- one of America's first zipline adventures designed for kids 4-10 years old. It includes 9 ziplines that range from 50 feet to 250 feet long and 4 fun climbing elements in a park area.

- 1 ½- 2 hours of adventure for ages 4-10

**Tree Quest**- recreational tree climbing on a large oak tree where climbers “inch worm” their way up one of our eight climbs that range in height.

- 1 hour of adventure for ages 7 and over

**Kolo Bike Park**- come get your bike flow with miles of purpose-built mountain bike trails, dozens of wooden structures and challenge elements, 2 pump tracks, and pro level jump lines. Join us for guided ride experience with skills development, trail guidance, and practice. Top quality bike rentals and trail access passes also available.

**Facilitated Team Building Programs**- your youth group, students, sports team, company, or organization can stretch limits, support team members, smile and laugh, see growth, and stand together on a fun and challenging journey designed and presented by experienced facilitators. Programs include a mixture of cooperative activities, games, group challenges, and directed discussion.
