Asheville Zipline Canopy Adventures (AZCA)

The Asheville Zipline Canopy Adventure offers a group tour an urban canopy tour that includes 11 ziplines and 3 sky bridges in treetop platforms on several large adventure towers with mountain and skyline views of downtown Asheville. Jump on the Skyline Express to fly side-by-side with a friend for 1,200 feet. The sky bridges are opportunities to slow down and look around in our largest trees to learn about the history of the city and the trees.

AZCA offers the best of many worlds. It is convenient to Asheville and exciting. It is urban with views of downtown Asheville. And it is set on a 124-acre resort and designated tree preserve perched in and amongst some of the oldest and largest oak trees in Asheville. Zippers will enjoy scenic mountain views, as well as spectacular views of the Asheville skyline, as they fly through tree-lined corridors.
